

Stratford STEM Magnet Lower Campus Pledge

***We are Stratford STEM Magnet Lower Campus
School.***

***We are Technicians, Engineers, Inventors, and
Scientists.***

***We take care of our school and make our
community better.***

The world is a better place because we were born.

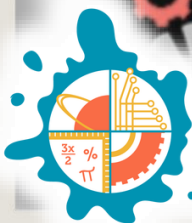

We are good citizens because we do what is right.

***We respect the feelings, property, and rights of
others not because we're being watched by
teachers, but because it is the right thing to do for
ourselves and others.***

***We solve problems. If we can imagine it, we can
create it.***

***We try once, twice, a hundred times, but we NEVER
give up!***

***We are Stratford STEM Magnet Lower Campus
School.***
